

# #Munperheet (#Myfamilies)

- Towards systematic family reunification in foster care

#Munperheet  
(Myfamilies)

Reflects the  
several families  
which are in the  
child's mind who  
lives in foster care.

# VISION & GOALS

*We will...*

Create *possibilities* to increase family reunifications in foster care when it is in child's best interest.

Increase *welfare* of the children and their families in foster care and prevent social exclusion.

Develop systematic *working methods* for family reunification.

Improve co-operation and inclusive working culture in foster care.

Increase possibilities for family reunification

The welfare of the children and their families, prevent social exclusion

Systematic working method

Co-operation and inclusive working culture

## OUTPUTS

**#Myfamilies working method** has been described and the manual has been published.

## RESULTS

1. **#Myfamilies working method** and **quality standards**, based on experiences and research, have published and distributed.
2. Children, young people and families ability to **participate and cooperate** in reunifications have been increased.
3. **Expertise of professionals** has strengthened.
